*Terranova Europa Decking: Mica (solid color)*

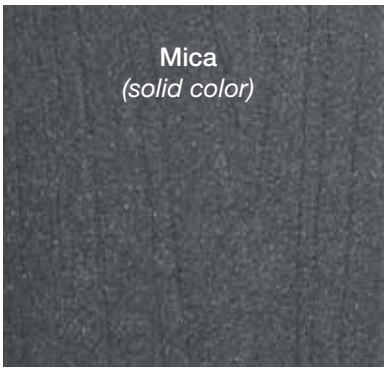

Stylish Fiberon Terranova Europa Decking offers two surface options: a deep grooved surface and a smooth, even surface. Both offer good traction for slip resistance while providing a durable terrace surface without ever having to stain or paint. Splinter-free, Terranova Europa is backed by 15-year residential and 10-year commercial limited warranties.

**IMPORTANT**

- *Cleaning mold or other stains is required at least semi-annually or more frequently depending on location and customer preference.*
- *Color tone will lighten during initial weathering, in approximately 120 days.*
