*Terranova Exotics Decking: Kingwood*

Fiberon Terranova Exotics brings the realistic look of tropical hardwoods to your outdoor living space. Available in three rich, multichromatic colors, Terranova boards are reversible. One side offers deep grooves and the other side offers a smooth wood grained surface. Fiberon Terranova Exotics is backed by a 15-year residential limited warranty and 10-year commercial warranty.

**IMPORTANT**

- *Cleaning mold or other stains is required at least semi-annually or more frequently depending on location and customer preference.*
- *Color tone will lighten during initial weathering, in approximately 120 days.*

*Actual products may vary from colors shown.*

Kingwood

### Grooved Edge

- Durable, reversible boards offer two surface style choices
- Available in three rich multichromatic colors
- Never a need to stain or paint
- No cracking, splitting, splintering or decay
- Slip resistant
- Easy installation
- Backed by a 15-year residential limited warranty and 10-year commercial warranty

Deck Boards: 128 mm x 20 mm x 2.4 m, 3 m, 3.6 m, 4.26 m, 4.8 m Grooved Edge & 2.4 m Square Edge

### Deck Spacer Tool

- Quickly and accurately spaces deck boards during installation to allow for seasonal gapping, drainage and air flow

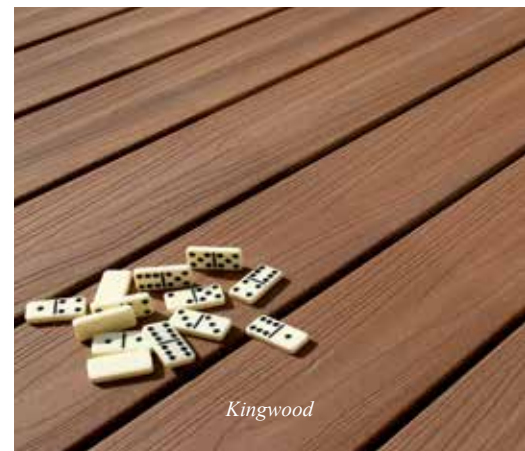

### Cobra® Hidden Fastener

- Made from highly rust resistant stainless steel with black oxide topcoat
- Fasteners hide between deck boards for a smooth fastener-free deck surface
- Only for grooved deck board installation
