Fiberon Terranova Xtreme and Xtreme Wide Decking features resilient PermaTech surface technology, capped on three sides, providing stain, fade and scratch resistance. Fiberon Xtreme Decking, 5" wide, comes in two solid colors, Aspen and Acorn. Designed for popular wider planks, Fiberon Terranova Xtreme Wide Decking, 7 1/4" wide, is available in the same two solid colors in addition to four beautiful, dramatic, multichromatic colors. Both Fiberon Terranova Xtreme and Xtreme Wide decking pair well in designing customized outdoor living spaces.
